

```
1  #include <iostream>
2
3  using namespace std;
4
5  int main()
6  {
7      for(int i = 0; i < 10; i++)
8      {
9          cout << "Count: " << i
10     }
11     return 0;
12 }
13
```
